UCLG Congress Mobile APP is now available!

27.09.2013

Make the most of your time at the UCLG Congress by having all the event information in the palm of your hand!

A mobile app is now available for downloading from the Google Playstore (for Androids) and from the AppStore (for iPads and iPhones). The app gives you access to the Congress programme, floor plans, Rabat Expo area, and much, much more. Browse the schedule and select which sessions you want to attend. Check out the list of speakers and bookmark the ones you want to see. Explore the vast list of exhibitors and find them quickly in the venue maps. And stay informed through the integrated news feeds. We highly recommend that you download the free app before arriving in Rabat in order to start planning your personalised Congress experience!

All the UCLG World Secretariat team will be in Rabat to welcome you upon your arrival!
